

PRINT-ONLY SERVICE

We are a family run design and print studio providing families with meaningful memorial stationery for over 17 years, and entrusted by leading funeral homes.

How to Order

Order through your funeral home or directly with us via our website. We'll review your print-ready files, print on quality silk stock, and deliver.

Print Specifications

Please supply artwork at the correct size in a high-resolution PDF format. Designs with edge-to-edge artwork must include 3mm bleed.

Share your design with us directly from Canva or download a PDF Print with crop marks and bleed, then email us your artwork.

Or contact us for help with preparing print-ready artwork. Additional charges may apply.

Fast Turnaround

Orders are actioned in a priority queue, based on funeral service date and 1-2 business day turnaround. Contact us asap to see if we can accommodate a rush order.

Pricing

Our service includes printing and delivery. We invoice your funeral home to add to your account. If preferred, we can invoice you directly, however accounts are required to be settled prior to delivery.

For pricing on products not listed here or alternative paper stocks please email us for a quote.

Design Service

Alternativately, if you would like assistance with artwork creation please contact us to see how our bespoke design service can help.
